A CONFERENCE TO CONTRIBUTE TO DEVELOPMENT...

We are pleased to announce that Africa FootGoal will not only be a conference of debate and exchange, but also a conference that goes beyond rooms to contribute to social and sport development. This is why we have decided to launch the initiative "One day, one project" from February 10th to 13th where every day we will accompany a project, in a community or in sport, and we invite all willing participants of Africa FootGoal to contribute financially or materially to this initiative. We will get back to you with more details in our next newsletter.
